

CALLING ALL CLUB CRICKETERS!

Are you aged 49-55?

Do you play regular Saturday league cricket?

Are you available to play midweek?

Have you dreamed of playing
competitive representative cricket?

If you remember when Wasim and Waqar were destroying batting, when Greenidge and Haynes were plundering runs against everyone, and when Dickie Bird was still raising his finger, then you will be welcomed into the Middlesex Seniors fold!

If you're interested in finding out more about playing Over 50s county cricket with Middlesex, please contact either:

Rob Bonneywell (rob_bonneywell@yahoo.co.uk) or Jonathan Croft (croft868@btinternet.com)
